Good Morning:

A Response from the U.S. Patent Office mailed September 28, 2004 for the above referenced application indicated the Office was unable to comply with Applicants' request to correct the filing receipt.

Although the reasons checked in the Response are not clear, Applicants have uncovered a typographical error in the Domestic Priority Information section of Applicants initial Application Data Sheet dated April 21, 2004. The filing date of provisional application serial no. 60/100,758 should be September 17, 1998.

Enclosed is a Supplemental Application Data Sheet which includes this correction to the filing date of application serial no. 60/100,758.

Applicants respectfully request correction of the Domestic Priority Information and issuance of a corrected Filing Receipt.

If you have any questions, please do not hesitate to contact me.

Respectfully,

Christopher L. Parmelee
